I ask that you state the specific legal and factual grounds for withholding any documents or portions of documents. If possible, please identify each document that falls within the scope of this request but is withheld from release, as well. If requested documents are located in, or originated in, another installation or bureau, please refer this request or any relevant portion of this request to the appropriate installation or bureau. I would like to clarify and reiterate that I am *not* asking for access to any records that are explicitly considered private; rather, I am seeking only those records that are considered to be public information under the Freedom of Information Act.

If the information can be sent through email or digital/electronic format, please send it that way (address provided above), particularly if providing the information reduces the time or expense involved. Otherwise, please send the information in paper form (mailing address also provided above).

To help assess my status for copying and mailing fees, please note that I am a representative of a political organization, gathering information for research purposes only. Disclosure of this information is likely to be in the public interest and is not for commercial activities. I am willing to pay reasonable costs incurred in locating and duplicating these materials. Please contact me prior to processing to approve any fees or charges incurred in excess of \$250.

Thank you for your cooperation with this request. I am willing to discuss ways to make this request more manageable to your office. Please do not hesitate to contact me either via telephone at (202) 478 1319 or email at drapcho@dsc.org

Sincerely,
